### **News Release**

Fish Shop will be opening its Encinitas location Friday, Aug. 1 after first dropping anchor in Pacific Beach in 2010.

On South Coast Highway 101, Encinitas Fish Shop can't be missed when driving down the 101.

The menu is uniquely tailored, offering a boatload of fresh fish selections from which to choose, preferred option of seasoning and a choice between having it all tucked within a taco, sandwich, salad or on a plate.

With plenty of parking and an open patio, two- and four-legged patrons can enjoy the freshest seafood east of the beach.

The many local and California micro brew beers on tap complement every dish or choose from Fish Shop's selection of wine. For a \$5 corkage fee, guests can also bring in their own favorite bottle to enjoy. Those wanting to eat at home can order items to-go and can order one of the fresh daily market selections to cook at home.

Fish Shop Co-owner Billy Ramirez says, "It was a no brainer to bring the same great quality and taste from Pacific Beach to our North County friends."
